SAGE Sustainability Action Grants – Application form

SAGE is providing Sustainability Action Grants, from less than $100 up to $2000, to support initiatives that enable Te Whare Wānaka o Aoraki | Lincoln University to be an exemplar of sustainable practice.
Applications can be submitted at any time during the year, while funds are available, and will be assessed on a first come, first served basis.
Applicants can be individuals, friends, clubs, flats, classes, or students and staff combined.
A panel that includes the SAGE Chair, SAGE Treasurer and a student representative will evaluate the applications.
To apply, complete the form below and send it to sage@lincoln.ac.nz. Any enquiries may also be sent to this address.

Applicant(s):		
Contact details:	Primary contact:	Email:
Project Name:		

1) Briefly, what is the aim of your project/initiative?

2) What do you propose to do?

3) How will this project/initiative contribute to sustainability at Lincoln University?

4) What is the timeline for the project/initiative?

5) What is the total amount applied for, together with a breakdown of estimated costs?
Note: grants will be paid for actual costs, either through reimbursement or on invoice presentation.
