If you want to live in a particular hall, you can specify in your application which hall you would prefer and our Accommodation Office will do their best to help, but there are no guarantees.

**Each student is assigned to a room on a “first in, first served” basis, depending on who is first to accept their offer of accommodation and pay their deposit, when offers are sent out at the beginning of October.**

An example of how this works:

Colombo Hall has 80 rooms, so the first 80 students to accept their accommodation offer and pay the deposit will be roomed in Colombo. Any students that accept and pay after that will be placed on the waitlist for Colombo and be contacted by the Accommodation Team to discuss their hall placement.

---

We encourage all prospective students to visit us on campus, and have a tour through the Halls of Residence. You can book a campus tour by emailing [grow@lincoln.ac.nz](mailto:grow@lincoln.ac.nz)
