Study planning guide

Use this guide to plan your study and find out which courses to choose.

1

Decide what programme to study

Programme structures for your specific degree are available at www.lincoln.ac.nz/programmes

2

Choose courses for your programme

Remember to ensure that you meet prerequisite and restriction requirements when choosing each course.

3

Create your study timetable

To create your study timetable head to: www.lincoln.ac.nz/timetable

Watch the following online resources:

- Getting Started
 - Additional Features
-

4

Build your timetable of study

Follow the video instructions to complete your timetable.

5

You now have your timetable.

Make sure to check back again before the start of the semester to ensure times or locations have not changed.

You may also need to make a note of laboratory or tutorial times once you have enrolled in your courses as these may not be listed in the timetable.

Note: Times and teaching locations can change until the beginning of the semester.

To be on the safe side, check the website www.lincoln.ac.nz/timetable before your lectures start.
