

LURFC 2012 RAM Club

The RAM Club commenced in 2011 with the 130th anniversary of rugby at Lincoln College/University and is comprised of a group of ex-players, or other Club supporters, who are affiliated within the LURFC.

The aims of the RAM Club are:

1. To provide a means for those whose playing days are in the past to remain connected to, and involved with, the LURFC.
2. To ensure that ex-players have the opportunity to enjoy continued camaraderie with other RAM Club members, as they did in their playing days.
3. To provide an opportunity for RAM Club members to catch up and socialise at rugby games, luncheons, golf days, and other organised events.
4. To allow the LURFC to receive ongoing support and input from ex-players.

Any person who has (a) played rugby for Lincoln College/University or Merivale Lincoln University, (b) supported the Club, (c) coached or managed teams or (d) parent of a current player is eligible to join the RAM Club.

The current annual membership fee is **\$50.00** and entitles RAM members to the following:
