## Club Week for Netball and Rugby

During the first week of May Lincoln University Netball and Rugby held their Club Week. Our netball teams were playing various opposition and our Rugby teams all competed against our counterparts from Ilam.

Unfortunately the week did not start off too well with the Premier Netball team playing below par and going down 34 - 42 against Burnside. However there were pleasing results from our other grades with 5 victories. The B's beat Suburbs Uni 19 - 11, the C's 45 - 12 over St Nics, D's 33 - 10 over Marist, E's had a close win 22 - 21 over Riccarton and the Social 2 side beat Broadfield 30 - 16.

The Rugby fields were looking picture perfect thanks to the team, led by Alan Gilmour, at NZ Cricket, as our teams began the Uni Battle. Our U20 Colts team started the day off in fine form with a well fought physical battle against Canterbury University U20 A. Two penalties to UC then a try to Lincoln by Singa Kautai saw us trailing 5 - 6 at the half. Tight defence and some good attacking plays resulted in Singa going over again after good build up to take the final score to a 10 - 6 victory.

Our premier Colts played against the much fancied UC premier Colts.

Once again the game lived up to the expectation of an intense and torrid affair. Both packs were competitive and showed determination in set plays and at the break down and the backs attacked where possible. Ill discipline by both sides resulted in penalties a plenty which was the difference in the final score. UC scored a try and 5 penalties where we scored a try to Tony Illston and conversion and two penalties to Luke Graham to end up going down 13 - 20 in a very entertaining and fine display of Colts Rugby.

Having started the season well our Div 2 Seniors have been hit by key injuries and as a result knew they

were going to have to play exceptionally well to beat a strong UC side. Unfortunately the opposition did not allow us to play our open running rugby and were dominant in crucial aspects of the game. 3 tries, a conversion and a penalty to our 1 try, to Jason Hubbard, had Canterbury come out on top 20—5.

The Senior Division 1 side were desperate for a win having gone close against Shirley and Old Boys. This match lived up to the billing and was an epic University Battle. A tough encounter in the forwards kept the match tight with Lincoln applying pressure throughout the first half. Again penalties were not converted by both teams resulting in a low scoring first half. After a good attacking phase Aaron Williams scored in the corner to take us to the break leading 5 - 3. Two tries and a penalty to UC and one penalty to us took the score out to 8 - 16 with minutes to go. Another strong surge took Boey Pearce over the line and the successful conversion gave us hope as the score was 15 - 16 but the whistle went to end the match.

Thanks to all the supporters who joined us on the side lines and to the ground, catering, bar and security staff for making the day go so well.

Premier Netball convincingly beat Kereru

The Lincoln University Premier Netball side had their first match against Kereru on Thursday the 29<sup>th</sup> of April. This year all matches are being played indoors at QEII gymnasium either at 6:00pm or 8:00pm.

The team started off well and maintained a 4 - 6 point lead throughout the match. Fantastic defence and accurate shooting, combined with crisp passing and

catching from our girls was the difference between the two teams. The final score was a convincing 53 - 44 win first up to Lincoln University.
