Quote from student

Angus Philpott

Bachelor of Agribusiness & Food Marketing

“I travelled to Copenhagen Business School to get a change and try something new. My time at CBS was nothing but awesome. I loved that opportunity to study in a new environment with different ways of doing things like 100% exams and 2.5 hour lectures and then the majority of guys turning up to lectures in suits and briefcases, which is slightly different from gumboots and stubbies. I also had the opportunity to travel to other locations. I went on weekends trips to the UK and saw the Rugby World Cup, and also travelled to Norway, Ireland, Poland and Hungary.”
