Quote from student

Lucy Collingwood
Bachelor of Science

“I don’t regret going on my exchange to Norway one bit! It was such a great experience. I wasn’t sure what to expect or what it was going to be like, but it did not disappoint! When I first arrived, it was quite overwhelming – this was when it had finally sunk in that I would be there for the next few months and knew no one yet. However, this didn’t last too long, and soon I met lots of people from all over the world.”
