The annual Lincoln University Combined Sports Association Prize Giving was held on Thursday the 7th of October. A great night was had by players, managers, coaches and supporters as we celebrated the success of our sporting teams.

With the disruption due to the quake it was good for teammates to catch up before heading off for study leave and holidays once more. Many members of our rugby and netball sides will be moving on for the 2011 season so it was important to say our goodbyes and celebrate in true Lincoln

It was also a chance to formally thank our sponsors who have been part of our sporting network throughout the year. These sponsors include Canterbury Apparel Teamwear, Iconic Bar, Sadie's Laundry, The Bridge Restaurant and Bar, Lincoln Hospitality Ltd and Heather Watson and her catering and bar staff for all their great work throughout the year.

LURFC is also very pleased to announce that the Senior Division 1 Head Coach for the 2011 season will be John Haggart. John has come from a long playing and coaching background in Otago and in 2008 coached the Canterbury NPC team to victory in the Air New Zea-

LURFC Golf Tournament

After two postponements the Lincoln University Challenge Cup and LURFC Golf tournament was held on Friday the 1st of October in perfect conditions at Harewood Golf Club.

An intimate field assembled at the Harewood course at midday for what proved to be an excellent day of golf. A late flurry of student entries occurred once assignments were completed and the realisation that a sunny spring day on the golf course would be a welcome change from lectures.

While there were numerous unofficial handicappers the Challenge Cup could only be won by a player with an official club handicap. The cup was won by Russell Fitt, playing off a 23 handicap, who went round in 72. Second was Liam Smyth on 73 and third, on count back was Robert Alexander on 75 with Robert McFarlane also 75.

The non-handicappers played using a Callaway system which resulted in David Ball from Canon finishing first, James McCormick second and Mark Maitland in third place.

Of special note was another member of the Canon four, Anthony Carppe, who scored a hole in one on the 11th green and will be the proud recipient of a mounted ball by the golf club.

LURFC would like to especially thank all of their sponsors who supported the event and to the players that turned up and enjoyed a great day.
