Following a motion from the Pro-Chancellor, Council RESOLVED to:

1. **APPOINT** Mr Gemmell as a member of the Futures Committee;

2. **ACKNOWLEDGE** that Professor Bruce McKenzie, Mr David Yardley and Mr Philip O’Callaghan resigned as trustees of the Otiwhiti Westoe Trust (formerly the Lincoln Westoe Trust) on 20 September 2019.

   **Moved: Professor McWha, Seconded: Sir Harrison, CARRIED**

The Chancellor requested that a letter of thanks from Council be sent to Mr Yardley and a letter of congratulations from Council be sent to Ms Havill *(action)*.

7. **Vice-Chancellor’s Report**

The tabled report was taken as read and NOTED.

Council received a verbal summary from the Acting Vice-Chancellor who noted; the recent funeral of Mr Gordon Holmes and the attendance at the funeral of the Deputy Vice-Chancellor, the presentation of the Excellence in Teaching awards, and the presentation of a Significant Achievement Award from the Canterbury section of the New Zealand Institute of Agricultural and Horticultural Science to a collaborative six year programme researching how to reduce nitrate leaching on farms. Members commented that it would be good for the university to gain momentum around exploration of carbon sequestration within soil systems and encouraged senior managers to develop a programme, if appropriate.

The Deputy Vice-Chancellor noted the contribution that increasing numbers of citations are making to the university’s ranking within QS and Times Higher Education ranking systems, but highlighted that significant improvement needs to be made in the area of reputational scoring, a system where research and education colleagues rank Lincoln researchers. Council discussed the importance of social media outputs to improving the universities reputation and visibility.

7.1 **Health and Safety Report**

The tabled report was taken as read and NOTED.
The Health, Safety and Compliance Manager briefed Council noting that Health and Safety reporting will move to using a total injury frequency rate with collated 2019 data as a baseline. She also noted that approximately 100 staff, mostly engaged with students, have attended a psychological first aid course.

### 7.2 Sustainability Report

The tabled report was taken as read and NOTED.

Council commented on the value of the report and requested that the sustainability data captured be more visible throughout the year, suggesting that a running total of solar energy generated be displayed in a relevant place on campus.

### 8. Academic Board Report

The tabled report was taken as read and NOTED.

The Chair of Academic Board provided a verbal briefing to Council, noting that Academic Board enjoyed their recent visit to the marae.

The Acting Vice-Chancellor noted his thanks to the new Chair of the Learning and Teaching Committee, Professor Geoff Kerr, for his efforts with the re-submission of the 2018 Graduation Year Reviews to CUAP, which went very well.

The Chancellor noted the pleasing academic progress summarised in the 2019 Approvals report and indicated he was keen for Council to develop a deeper understanding of academic processes at the university through a briefing at a future Council meeting by management.

The decision by Massey University to engage more fully in online delivery was noted and attendees discussed what the future academic requirements and processes at Lincoln University might need to be in this regard.

The Lincoln University Students Association (LUSA) President commented that the Student Experience Board consider the student experience associated with academic delivery and the Acting Vice-Chancellor welcomed their input into any planning the Senior Management Group might undertake in this area.

### 9. Conferral of Degrees, Certificates and Diplomas

The tabled report was taken as read and NOTED.

Council RESOLVED to:

1. APPROVE the conferral of the degrees, certificates and diplomas listed in Schedule 1 on the following dates:

   2. 28 April 2006 – Lucy Alice Hindson, Graduate Diploma of Viticulture and Oenology;
   3. 25 February 2020 – all other graduates.

**Moved: Sir Harrison, Seconded: Professor McKenzie, CARRIED**
10. **Lincoln University Student Association (LUSA) Report**

The report was taken as read and NOTED.

The LUSA President provided Council with a verbal summary of recent meetings conducted and current issues affecting students, particularly international students attending or trying to attend for the start of the academic year. As a result of the border restrictions and more students studying at a distance at short notice, a focus for LUSA will be to develop stronger processes for supporting off-site students during their study. Chinese students, in particular, are struggling to access digital materials due to whole-of-country firewall issues.

In closing, the LUSA President noted some confusion with the non-smoking status of the campus and requested clarity from management. The Chancellor also encouraged management to consider a completely smoke free campus from 2021.
