

**Grow your opportunities with
free* study options
at Lincoln, now extended until
the end of 2024.**

LINCOLN
UNIVERSITY
TE WHARE WĀNAKA O AORAKI

With the food, fibre and environment sectors calling for more qualified professionals we are offering a range of free programmes designed to expand your future in those areas, and many more.

And, we have extended those fee waiver options for a limited time so take advantage of the opportunity now.

It's our way of helping to meet the post-COVID needs of the New Zealand economy.

Now's your chance to grow into your potential and be part of shaping a world that benefits from a greater relationship with the land. You'll arrive at your career globally connected, forward thinking and ready to shape tomorrow.

Whether you want to enhance your employability after completing an undergraduate degree or make a career change, these programmes offer a multitude of opportunities.

Don't miss out.

*Applies as a fee waiver for postgraduate certificates and diplomas, and taught masters degrees. For domestic students only. Student services fee not included. Entry criteria apply.

Our online options help you to study in a way that fits into your life. You can study in your own time, at home or in a location of your choosing, either full-time or part-time.

Whichever you choose, you'll still enjoy the Lincoln experience through our connected support services as we help you to explore and cultivate your potential.

**Lincoln University Research Master's degrees may also be eligible for the fee waiver, but it will only cover the 120 taught credits, not the 120 research credits.

You'll only need to cover course-related costs (such as buying textbooks) and the Student Services Fee. (Conditions apply)

Ask us about part time options and start dates.
