

## The Ngāti Moki Trophy for Māori Leadership 2020

### Maui Duley

Maui is a member of the Lincoln University Te Awhioraki Executive Committee, and in his role has supported his peers and fellow students by encouraging them to use Te Whare Whakakotahi, promoting all Māori events and by being a great promoter of the Te Reo Māori courses at Lincoln.

He is a very dedicated, focused and high-achieving student. He is very personable and easily befriends people irrespective of who they are, or where they are from.

He is an exemplar to his peers, demonstrating how hard work and dedication to your studies can produce great results.

Over semester one last year, Maui provided tutoring sessions for Māori students studying Biology. This was on top of his own

studies and a part-time job in the library.

The vision that Maui holds for the future of Māori is one that incorporates culture and identity in the world of science and will serve its communities in terms of moana, whenua and kaitiakitaka.

He has been the recipient of numerous scholarships awards over the last three years; Central South College, Summer Internship, two awards of Māori Trust Education, Sir Turi Carroll, two International Scholarships and just recently, the Prime Minister's Award, all reflecting his drive and determination, and how well he is regarded by those judging the awards.

**Maui Daley is a worthy recipient of the Ngāti Moki Trophy for Māori Leadership in 2020.**
