Future Leader scholarships were established in 2005 to assist students of high academic calibre and leadership potential. Sports scholarships were even earlier, starting in 1999, helping sports people to hone and grow their skills and abilities in their chosen code, as well as achieve academically.

Numerous scholars have emerged from their studies equipped to make their mark on the world.

Both Future Leader and Sports Scholarships were the first of their kind. They blazed the way to recognising a scholarship can be more than just financial aid. They are about using the resources we have at Lincoln, as well as following our mission to help expand your world. This doesn't just apply to the lecture room, but also to the sports field, in the community and around campus.

There may be imitators of the programmes but you can't beat the originals.

We offer eight other scholarships specifically for Māori and Pasifika students, including Tihi Kahuraki and Pasifika Excellence scholarships. They cover a range of subjects and are offered to students who show strong leadership and engagement in their whānau, hapū, marae or community.

Students of high academic calibre can also apply for the Vice-Chancellor's Scholarship for Excellence which offers assistance with tuition fees and living expenses during the duration of their degree.

**A Lincoln University scholarship gives you the opportunity to study at New Zealand's only specialist land-based university while having some, or all of your university costs paid for.**

Scholarships can be awarded on criteria such as:

- academic grades
- personal qualities
- financial need
- where you live
- your course of study

The closing date for scholarships varies. Keep an eye on our website for those closing soon. It is well worth spending time exploring the scholarship options available at Lincoln University as there are a large number to choose from, whether you are an undergraduate or postgraduate student.

Please note:

Our scholarship webpages will provide you with the most up-to-date information.

Some scholarships are administered by other entities, independent of the university. These are also visible on our scholarship webpages.

If you would like advice or assistance about scholarships in general, please contact the Scholarships Office at [scholarships@lincoln.ac.nz](mailto:scholarships@lincoln.ac.nz) or 0800 10 60 10 (within New Zealand).
