# Study planning guide

Use this guide to plan your study and find out which courses to choose.

1

## Decide what programme to study

Programme structures for your specific degree are available at

**[www.lincoln.ac.nz/programmes](http://www.lincoln.ac.nz/programmes)**

3

## Create your study timetable

To create your study timetable head to **[www.lincoln.ac.nz/timetable](http://www.lincoln.ac.nz/timetable)**

Use the following online videos to help you build your timetable:

- ☐ How to create your timetable
- ☐ How to read your timetable

2

## Choose courses for your programme

Remember to make sure you meet the prerequisites and restriction requirements when choosing each course.

4

## You now have your timetable

Check again before the semester starts to ensure times or locations have not changed.

Make a note of laboratory and tutorial times, as these may not be listed in your timetable.

Note: Times and teaching locations can change until the beginning of the semester.

To be on the safe side, check the website **[www.lincoln.ac.nz/timetable](http://www.lincoln.ac.nz/timetable)** before your lectures start.
