THE FUNDS FOR THE JOHN RICHARD TEMPLIN SCHOLARSHIP ARE PROVIDED BY A TRUST, ESTABLISHED BY THE LATE JOHN RICHARD TEMPLIN IN 1958. HORTICULTURE AND ENGINEERING WERE HIS TWO LOVES AND MR TEMPLIN AND HIS WIFE, ENDEAVOURED TO FURTHER THESE WHEN THEY WERE NO LONGER AMONG US.

A graduate of Ohio State University and for many years a Consulting Engineer in Christchurch, John passed away in 1961.

Perpetual Guardian, as Sole Trustee, oversees the awarding of the Scholarship funding. We work alongside a Selection Committee that comprises of representatives from the University of Canterbury, Lincoln University, The Royal New Zealand Institute of Horticulture and Duncan Cotterill Law Firm.

THE SCHOLARSHIP

The J R Templin Scholarship was established to provide Scholarships for students in Engineering and Horticulture and is open to graduates from the University of Canterbury or Lincoln University.

The Scholarship is tenable for research, higher studies or practical experience in engineering or horticulture, at a University or Institution in the United States of America or Canada. The University or Institution must be approved by Perpetual Guardian and the Selection Committee.

Tenure of the scholarship is for one year, but this may be extended for a second year pending assessment by the Selection Committee.

The Scholarship covers tuition costs and reasonable costs of travel, accommodation and related living expenses for the duration of the study period.
