Then move to the heart of New Zealand's South Island to complete your degree at Lincoln University, which seeks to unlock the power of the land to enhance lives and grow the future.

Study for a Bachelor of Commerce in New Zealand

LINCOLN
UNIVERSITY
TE WHARE WĀNAKA O AORAKI

The Bachelor of Commerce degree has a specific focus on value chains, as they connect the world, and so do our graduates.

Whether it's in supply chain management, marketing, food and resource economics, global business, or accounting and finance, our graduates are bringing the world to New Zealand and New Zealand to the world.

As economies have become more interconnected and businesses have become more dependent on international markets for raw materials and end consumers, there is an increasing need for people who understand the global nature of value chains. Lincoln's Bachelor of Commerce majors will give you the tools to be one of them.

About Lincoln University

Lincoln University sits in the heart of New Zealand's South Island. Fifty eight hectares of green fields surround this historic yet modern campus, where around 3000 students from more than 80 countries go busily about growing their futures.

Lincoln seeks to unlock the power of the land to enhance lives and grow the future. It undertakes joint efforts in Aotearoa New Zealand and with international partners to increase productivity, reduce environmental footprints and embrace the whole value chain from soil to fork.

Lincoln is in the top 100 in the subject areas of Agricultural and in the top 1.5% of all universities globally (QS World University Rankings 2020/2021).
