Purpose

The purpose of this Scholarship is to encourage and reward excellence in the study of property, property management and valuation, and to support those seeking to complete a degree directly associated with the property industry.

Value

One JLL scholarship will be offered in each academic year with a value of \$5,000.00 NZD towards tuition fees and living costs. The awardee will have the opportunity to meet with JLL employees working in the Christchurch office to explore career options and attend networking events.

A grade point average (GPA) of at least 5.00 is required for Scholarship consideration. The GPA will be based on all courses undertaken in each semester of study.

The Scholarship may be held concurrently with any other scholarship, award or grant as long as the awardee declares to the Scholarships Office all other scholarships, awards or grant funding received.

The Lincoln University Scholarships office, in consultation with JLL, has the power to terminate or suspend a Scholarship if it receives a report of unsatisfactory progress of an awardee from the Head of Department of Land and Property.

JLL reserves the right to amend or vary the terms of this scholarship, provided that there is no departure from the main purpose of the scholarship.
