

**Faculty of Environment, Society and Design
Lincoln University
Summer Research Scholarship**

GUIDELINES

- Valued at \$6,000 each (tax free) for a period of approximately 10 weeks.
- Students are expected to complete the project during the period between 14th November 2022 and 17th February 2023. Specific dates are to be negotiated with the supervisor.
- A Christmas/New Year break is also negotiable with the supervisor.
- Payment will be made via fortnightly stipend with a final payment of \$500 on receipt of an approved report at the completion of the project.

SELECTION CRITERIA

- Applicants must be currently enrolled at Lincoln University and be studying a Bachelor's degree to be followed by Honours, Masters or PhD.
- Priority will be given to students in their final year of undergraduate study, although second-year students may be considered.
- Applicants must be intending to undertake fulltime study in 2023 in the Faculty of Environment, Society and Design, Lincoln University.
- Selection will be based on the application, academic merit, skills (as listed in the project outline), and the academic referee's statement.
