Fees

I plan to fund the first year's study by way of the following (i.e. study loan, other scholarships, holiday employment, family assistance, personal savings). Please give full details (**it is preferable to provide a separate financial statement indicating the cost of study and how these fees are to be met**):

Savings:

Loans:

Scholarships obtained:

Other (please provide details):

Other Scholarships, Awards, Grants etc.

I intend applying or have applied for the following (if known please insert amount granted for any successful application):

References

I have arranged:

- (a) A recent written reference and contact details from someone who can **evaluate my academic ability and research potential**;

Attached Sent separately

- (b) A recent written reference and contact details from someone who **can evaluate my character**;

Attached Sent separately

- (c) A recent written **employment reference**.

Attached Sent separately

Academic and Other Achievements

I have attached details of my academic achievement record during **my last year at school** and for **the whole of my tertiary study**, including grades and any prizes and awards. (*Please briefly list other interests and achievements, both at school and elsewhere (e.g. sports, arts, clubs) and positions of responsibility held.*)
